

Learning Support in Edmund Rice College

What we do in school:

- Differentiated lessons and activities to suit your child's needs
- Paired reading
- Paired numeracy
- Literacy/Numeracy support classes and after school club
- Confidence/team building groups
- Social, emotional and behaviour intervention groups
- Full team of trained and experienced classroom assistants
- Two Specialist Support teachers/classes
- Up to date resources and technology
- ASD room for unstructured times of day

How you at home can help:

Remember when you get involved you make a big difference

- Support the schools aims/ethos.
- Ensure regular, prompt attendance. If your child is not in school, they will struggle to progress.
- Provide a positive working environment and support for study at home.
- Communicate with the school about issues affecting your child's work or behaviour.
- Offer praise and encouragement.
- Help your child prepare all stationery for school and to complete homework on time.
- Check your child's homework diary; everything should be recorded in this and there is a section each week where you can keep in touch via a note to

**Learning Support
co-ordinator:
Miss Colette Deery**

**Learning Support
Assistant:
Mrs Michelle Cust**

Partnership between home and school is paramount; working together for the benefit of every child. We encourage parents/guardians to keep in touch and are proud of the excellent school/home relations we develop and maintain at Edmund Rice College.
