22nd July 2021

Dear Parent/Guardian

GCSE Results Day

I hope this letter finds you and your family safe and well. This has been an extremely challenging year, especially for our students who were due to sit their GCSE examinations. As you know, our Year 12 pupils will be awarded grades based on evidence of their performance against the specification in each subject. Results for GCSE pupils will be published on **Thursday 12th August 2021**. We have put in place additional measures to allow for the distribution of results and any necessary guidance.

On GCSE Results Day, results will be distributed at specific times and we would ask that pupils do not access the site outside of these designated times unless by appointment. Pupils can be accompanied by **one** parent if they wish. Pupils will receive their results in the Assembly Hall at the following times

Time	Surname	Location
10:00am	A-L	Assembly Hall
10:45am	Mc-Z	Assembly Hall

A one-way system will be in place and it is important that all pupils follow the guidance of staff on the day. Students should access the school via the sports hall entrance and leave through the front doors at reception. Please follow the PHA NI advice on the use of face coverings and social distancing when collecting results.

Any pupil intending on returning to Edmund Rice College for their post 16 studies must confirm option choices in the Assembly Hall immediately after receiving results. **If you have not yet chosen your subjects for post 16 and intend on coming back, please email info@edmundricecollege.co.uk FAO Mr O Hare with your choices.**

Once you receive your results you may have important decisions to make. Edmund Rice College staff will be available during the course of the morning to provide advice and guidance. If you would like any external advice, the Careers Service is also here to guide and advise you.
